

Dubai as busiest hub in Middle East

- ▶ Dubai is the busiest hub in Middle East, yet it also shows a relevant share of arrivals
- ▶ Growth in number of passengers transiting in the city over the last two years has outpaced the increase of inbound flows

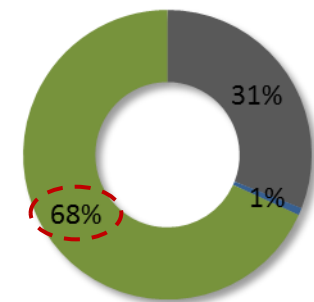

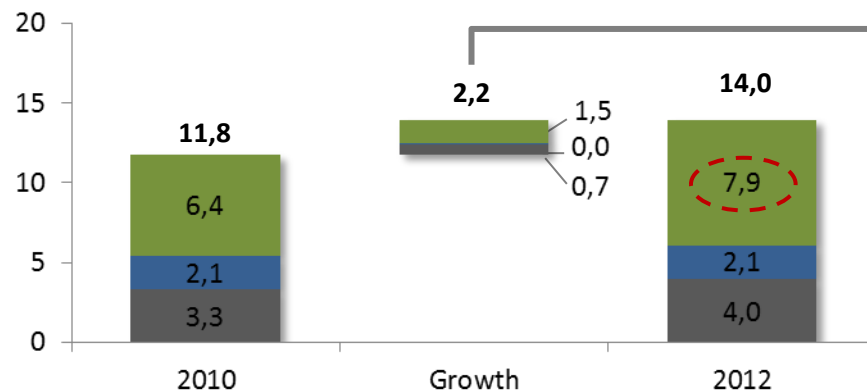

Air international traffic in Dubai by category¹
(Million Pax; 2010-12)

Growth contribution by category (% of growth, 2010-12)

■ Inbound ■ Outbound ■ Transits

■ Inbound ■ Outbound ■ Transits

Notes: (1) “Transits” includes all those passengers that do not stay one night at destination
