

Air international traffic in Middle East: Drivers and trends

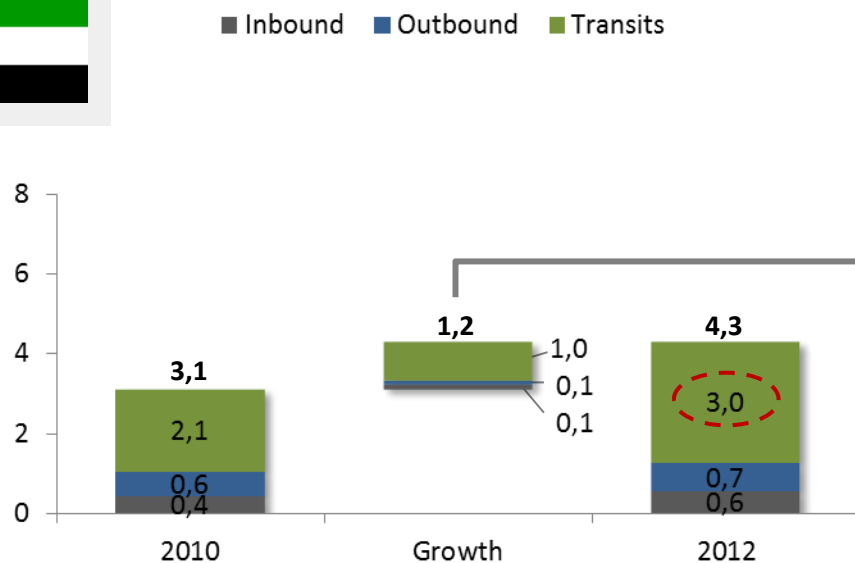

Abu Dhabi record growth driven by transits

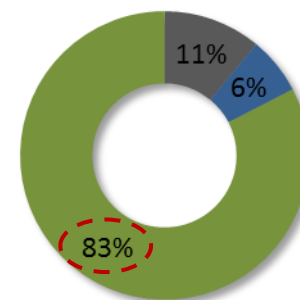

- ▶ People transiting in Abu Dhabi account for majority of air traffic in the city, which shows similar share of inbound and outbound flows to those seen in Doha
- ▶ 83% of the growth in air traffic seen from 2010 has been driven by transits

Air international traffic in Abu Dhabi by category¹
(Million Pax; 2010-12)

Growth contribution by category (% of growth, 2010-12)

■ Inbound ■ Outbound ■ Transits

Notes: (1) "Transits" includes all those passengers that do not stay one night at destination
