

Bookings were also affected by the French Air Traffic Controllers strike

Despite domestic arrivals were more heavily impacted than bookings, drop was also relevant for the latter
While the impact on arrivals was focused on the days of the strike (11-12 June) bookings were affected mostly before and during the first day of the strike (10-11 June)

**Impact of strike on domestic arrivals to France
(% Var vs. Prev Year; 01-15 Jun 2013)**

**Impact of strike on domestic bookings to France
(% Var vs. Prev Year; 01-15 Jun 2013)**

Methodology: Analysis based on domestic air arrivals and bookings to France (FR) excluding transits. Database as of 15th June 2013
